Headteacher: Mr Ian Harvey

Dear Parents/Carers,

I hope that you enjoyed the summer holiday. It was lovely to see all the children learning and playing happily in school today. They have settled in remarkably well.

As you are aware, the school had an Ofsted Inspection on 27th and 28th June 2023. I am now able to share the report with you. Attached to this letter is a copy of the report which can also be found on our school website. This is the first Ofsted report since the school joined the Lighthouse Schools Partnership Trust in 2019.

We are delighted to inform you that Ofsted inspectors found the school to be GOOD for overall effectiveness. The report is extremely positive and recognises that *'staff have high expectations of all members of the school community.'*

Personal development was rated as OUTSTANDING. *'From early years to Year 6, pupils receive high-quality experiences that deepen their understanding of all walks of life in modern Britain.'*

Inspectors recognised the hard work that goes into making our school a great environment for children to learn and develop. They saw how the school plays an important role in the local community and praised the children's behaviour.

'Pupils are polite and considerate toward one another and their teachers.'

'Pupils flourish in the school's inclusive and warm ethos.'

'Leaders and governors are ambitious for the school's future.'

I would like to thank you for your amazing ongoing support and all the staff and Governors for their tremendous hard work. We are immensely proud to work at such a fantastic school and look forward to building on this success in the future.

Yours Sincerely

Ian Harvey
