In Maths, we have started looking at area and perimeter and everyone is becoming more confident with understanding the relationship between measurements and also attempting to draw shapes to scale and measuring their areas and perimeters. done throughout our Geography lessons

In Science, we have been measuring the weight and mass of objects using Newton meters which we really enjoyed and it was fascinating to see the relationship between the weight and mass of an object. Finally, in Geography, we have continued our topic on Slums and this week, we did a comparison between what life is like in the slums and what our lives are like in the UK. School Expectations

Please send your child to school with a bottle of water every day (no squash or juice please). Please book your child a school dinner through the Aspens or with a healthy packed lunch. Please note we are a nut free school as some children have allergies.

Please send your children into school with the correct school uniform every day, including suitable shoes (not trainers). PE kit should be worn on Tuesdays. Please ensure your child comes to school with a coat, scarf and gloves in the current cold weather, so we can get the children outside at lunchtimes and play times.

School gate closes at 9am, anyone arriving after this time will be marked as late (except for exceptional circumstances) and opens at 3.25 pm ready for 3.30 pm collection.

Requests for leave of absence during term time

A reminder that the LSP Attendance Policy states that absences should only be granted in exceptional circumstances and a family holiday does not constitute such an exception.

The Lighthouse Schools Partnership policy is in line with the May 2022 statutory guidance to schools. In almost all cases a request for a holiday in term time will have to be refused and if the unauthorised holiday is for 5 or more full days it will incur a Penalty Notice.
