Dear Key Stage One parents,

We are very pleased to inform you that we have booked a school trip to Longleat on **Wednesday 27th March**. Longleat was chosen due to its ties with our science curriculum where we are learning about living things and their habitats. For Fox class it also ties into our geography learning where we are exploring the differences and similarities between the UK and Kenya. We hope that it will inspire the children's learning in the classroom, improve their knowledge and be an exciting day out for everyone!

The plan for the day is as follows:

9:15 – Depart from school

10:00 – Hedgehog class – minibeasts workshop/ Fox class - exploring the main square attractions

11:00 – Hedgehog class – exploring the main square attractions/ Fox class – conservation workshop

12:00 – Lunch

12:30 – Safari tour

2:00 – Depart from Longleat

3:00 – Return to school (please collect at 3.30pm as usual)

The cost of this trip per child is £11.50, which includes entry to Longleat and the workshops. We are very grateful to the PTA for paying the coach costs to make the trip possible. Please pay via ParentPay.com and give your child consent to come on the trip. If anyone has any difficulty paying please contact the school office to discuss.

Your child will need to be in school uniform for this trip. They will need to bring a packed lunch, a water bottle and a coat that is waterproof.

For this trip we are in need of some parent helpers, so if you are free on this date and would be able to join us that would be lovely! You would have your own group of children and would be supervising them when they are exploring the main square attractions. Please contact your class teacher on Class Dojo or via the office if you would like to be a parent helper.

Best wishes,

Miss Seddon and Mrs Haskins
