

Equality Objectives East Harptree and Ubley Primary Schools

Equality Act Objectives 2021/22

East Harptree and Ubley Primary Schools, we work to put in place school policies, behaviour and attitudes which aim to eliminate discrimination. We strive to provide inclusive services for all of our pupils, staff, parents and the local community.

Our Equality objectives:

- Ensure that the 9 protected characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex and sexual orientation are fully understood by staff
- Ensure that we review this annually to ensure that equality and inclusion are at the forefront of all of our services for pupils, parents and staff.
- Narrow the gap in the performance of pupils eligible for FSM so that the gap is closed between them and non-FSM children.

Above all, we aim to ensure that East Harptree and Ubley Primary Schools are tolerant and fair communities and we want all pupils and their parents to feel welcome and valued.
